

Thyroid Eye Disease: Addressing the Need for Early Intervention and Comanagement
Terry J. Smith, MD
Course Chair

Abbreviation	Definition
Ab	antibody
AE	adverse event
AIRE	autoimmune regulator
APC	antigen-presenting cell
BCVA	best-corrected visual acuity
CAS	Clinical Activity Score
CD	cluster of differentiation
COVID	coronavirus disease
DON	dysthyroid optic neuropathy
EOM	extraocular muscle
EUGOGO	European Group on Graves Orbitopathy
FDA	US Food and Drug Administration
GC	glucocorticoid
GD	Graves' disease
IGF-1R	insulin-like growth factor-1 receptor
IL	interleukin
MMF	mycophenolate mofetil
mRNA	messenger RNA
OF	ocular fibroblast
QoL	quality of life
SARS-CoV-2	severe acute respiratory syndrome coronavirus 2
Slit2	slit guidance ligand 2
TED	thyroid eye disease
TSHR	thyroid-stimulating hormone receptor
VA	visual acuity
